The record of existence.-Chicago Daily News.

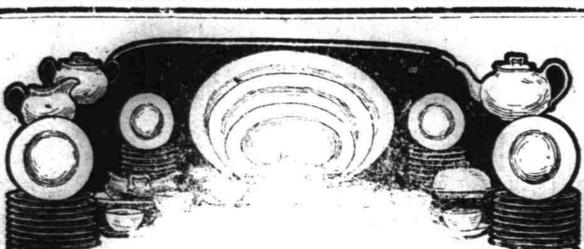

ADVANTAGES

Country boys are coming into their out difficulty. The country boy has few districtions and he may pursue his studies without interruption. With him his lessons are the chief events in his life, and he learns them well. The city boy passes a few restless Lours in the school room, and as soon as he leaves he is out occupying his mind with various forms of amusement, and some of these amusements are not entirely moral or uplifting The newspapers are sounding the "back to the farm" cry, while the cities and great commercial enterprises are calling for country young men to come and manage them .--Memphis News-Scimitar.

RECALLING A SUPERSTITION. Superstitious folk are attributing Paris correspondent of The Daily the tragic death of Prince George of News, as set forth in a recent spe Cumberland to the far-reaching of cial cable dispatch published in its tects of a curse. His great-grandcolumns, predicts that the surgery of father had a Swiss valet who in 1810 the future will tend more and more was found dead under suspicious cirto the prevention of disease instead cumstances, and many people susof being the last desperate resort of pected his master of murdering him. Mme. Sellis, the valet's mother, was Examples cited by Dr. Murphy of so convinced that this was the case what is already done in this respect, that she journeyed from Switzerland Times.
